

| Cat. No. | Description   |
|----------|---|
| K0771    | Fast DNA End Repair Kit                               |
| EN0321   | S1 Nuclease   |
| K2710    | TransformAid Bacterial Transformation Kit             |
| K2711    | TransformAid Bacterial Transformation Kit             |
| R0491    | TopVision Agarose                                     |
| R0492    | TopVision Agarose                                     |
| R0801    | TopVision Low Melting Point Agarose                   |
| EP0421   | Klenow Fragment, exo-                                 |
| EP0422   | Klenow Fragment, exo- (5 U/μL)                        |
| EP0051   | Klenow Fragment (10U/μL)                              |
| EP0052   | Klenow Fragment(10U/μL)                               |
| EP0054   | Klenow Fragment                                       |
| SM1123   | FastRuler High Range DNA Ladder                       |
| SM1113   | FastRuler Middle Range DNA Ladder                     |
| SM1103   | FastRuler Low Range DNA Ladder                        |
| SM1233   | FastRuler Ultra Low Range DNA Ladder                  |
| B49      | TAE Buffer (Tris-acetate-EDTA) (50X)                  |
| B52      | TBE Buffer(Tris-borate-EDTA) (50X)                    |
| R0611    | 6X DNA Loading Dye                                    |
| R0631    | Orange 6X DNA Loading Dye                             |
| K0721    | GeneJET Genomic DNA Purification Kit                  |
| K0781    | GeneJET Whole Blood Genomic DNA Purification Mini Kit |
| K0791    | GeneJET Plant Genomic DNA Purification Kit            |
| K0881    | GeneJET FFPE DNA Purification Kit                     |
| EP0702   | DreamTaq DNA Polymerase                               |
| EP0703   | DreamTaq DNA Polymerase                               |
| EP0712   | DreamTaq Green DNA Polymerase                         |
| EP0713   | DreamTaq Green DNA Polymerase                         |
| K1071    | DreamTaq PCR Master Mix                               |
| K1072    | DreamTaq PCR Master Mix                               |
| K1081    | DreamTaq Green PCR Master Mix                         |
| K1082    | DreamTaq Green PCR Master Mix                         |
| K1991    | FastDigest Value Pack                                 |
| F562S    | Phusion U Multiplex PCR Mastermix                     |
| F562L    | Phusion U Multiplex PCR Mastermix                     |
| F564S    | Phusion U Green Multiplex PCR Mastermix               |
| F564L    | Phusion U Green Multiplex PCR Mastermix               |
| F534S    | Phusion Green High Fidelity DNA polymerase            |
| F534L    | Phusion Green High Fidelity DNA polymerase            |
| F170S    | <i>Phire Tissue Direct PCR Master Mix</i>             |
| F170L    | <i>Phire Tissue Direct PCR Master Mix</i>             |
| F160S    | <i>Phire Plant Direct PCR Master Mix</i>              |
| F160L    | <i>Phire Plant Direct PCR Master Mix</i>              |
| F547S    | <i>Phusion Blood Direct PCR Master Mix</i>            |
| F547L    | <i>Phusion Blood Direct PCR Master Mix</i>            |
| EL0014   | T4 DNA ligase   |
| EL0013   | T4 DNA ligase   |
| EL0016   | T4 DNA ligase   |
| EK0031   | T4 Polynucleotide Kinase                              |
